

Safe environment

Safety is key for us at the university. In this leaflet you will find important information and procedures on how to respond in the event of various security incidents.

1. **Be aware of your surroundings** and let them know if something seems dangerous.
 - a. It could be a suspicious object or person.
 - b. Always contact anyone on the school staff you trust.
You can also contact the UK Security Department on **+420 771 275 564**.
 - c. If there is a physical incident or other serious danger, call the police directly on 158.
2. **Do not bring weapons** or other means of self-defense into the building. If you do not feel safe, contact the UK Security Department team on **+420 771 275 564**.

3. In the event of a serious physical incident

(including shooting):

- a. If you can, **DO IT!**
- b. If you can't escape, **HIDE!**
- c. If you can't hide, **FIGHT!**

When you're safe, call 158.

4. If you find an object that you suspect is an IED:

- a. Do not touch or open the object.
- b. Move to a safe distance. If you can see the object, you are not safe.
- c. Inform the police on 158 and the Security Department of the UK on **+420 771 275 564**.
- d. If possible, strongly encourage others around you to stay away from the object.

5. **If you feel anxious at school or need psychological counselling**, do not hesitate to contact one of the crisis and intervention psychological helplines.
